PANTY CONTEST WINNER

Announcing the winner of BARELY LEGAL's August 2007 Panty Giveaway contest: Ms. Carrie Ramirez. That's right, Ms., not Mr.! Ladies have entered our contest before, but this is the <u>first</u> time a lady has <u>won</u>. Carrie is, like, the best wife ever. We want to be just like her someday!

Congratulations, Carrie!

Paige,

I want to win your panties because you are a very sexy girl with a beautiful face and body, and you seem like you really love sex. My husband and I really enjoyed your pics.

What I would do with your panties is a special surprise for my husband. When I pack his lunch for work I usually include a sandwich and a pair of my panties to sniff. I was thinking some tacos and a pair of YOUR panties would be a nice change!!

Carrie Ramirez Arizona

Dear BARELY LEGAL,

The July 2007 issue was absolutely the best I've seen. Sandra and Sabrina—wow—the ultimate in a woman that I look for—tall, slender and small-breasted, Call me weird, but I think women that have small breasts are much sexier than big-breasted ones. I would surely like to have a pair of their panties. It would be awesome.

Sincerely, Avid reader, Travis Illinois You aren't weird, Travis! Everybody has different taste—that's why we have girls of all different shapes and sizes. (Personally, I'm glad there are guys like you that like teeny titties, since I'm not exactly stacked!)

—Lindsey

Dear Sabrina,

I agree, you do look a little like Eliza Dushku, only hotter! I'm 45 years old, and looking at your fine ass made my cock feel 18 again. My favorite teenage body part is the butt. I love to see the look

on girls' cute little faces when I put my tongue in their cute little pooters for the first time. They think it sounds dirty, but after they get a good tongue-reaming, they'll usually give you carte blanche with anything. I sure wish I was your next-door neighbor!

> J. R. Tennessee

I have to admit I thought it sounded dirty, too before I actually felt his tongue on my butthole! Now I want every guy I'm with to lick it!

—Sabrina

Hi Lindsey,

As a loyal subscriber to BL, the thought has crossed my mind: Why don't you have a pair of YOUR panties in a giveaway? I'd be willing to bet the response would be incredible, to say the least. I think you should seriously consider it!!!

Next, in your June 2007 issue I saw an incredibly hot girl by the name of Veronique. She is SUPER SEXY!!! I'd love sucking her nipples, and she could use my tongue as a vibrator on her cit as often and as long as she wanted.

I also couldn't help noticing a small wet spot in the middle of those panties. Was that a little honey dripping from the pot? I'd *love* to have those, especially if that spot were a lot bigger. YUMMY!! Veronique, you are indeed a true hottie. Thank you, Lindsey and BL, for sharing her with me and all the rest of your readers.

Sincerely and loyally yours, N. B. Colorado

That spot did get bigger in my panties. That's why I had to take 'em off!:) Anyway, I got a brand-new pair of blue-and-green-striped ones, and I'll be giving them away next month in the December 2007 panty contest—but if you don't like mine, there are five other girls giving away their panties in the same issue. Lindsey says it's, like, a special holiday gift to the readers, and you should check it out.

-Luv, Veronique

Dear BARELY LEGAL,

Whatever possessed you to run the comic Room Mates? Readers of BARELY LEGAL (note the title) are interested in girls. The heroine in Room Mates is

a. a woman

b. with short hair

c. that is red

d. who has a "bod."

BARELY LEGAL readers want tender, sweet, delectable girls who aren't entirely sure they want to have sex (for the first time, natch), but who wind up getting fucked from here to eternity. (And ultimately liking it.)

Bring back the classy artwork (and heroine) of the comic Twenty. Admittedly

there were too many explosions and other nonsexual events in the latter pages of *Twenty*, but it certainly started out well. The art in *Room Mates* is garish crap that looks like it came from some second-rate manga company.

Recently you editorialized that BARELY LEGAL doesn't feature (I'm paraphrasing) "models with anorexic butts, but rather real girls." Readers of BARELY LEGAL do not want to see real girls. We want to see Barbie. Or, better yet, Skipper (with breasts).

In BARELY LEGAL you have quite a few dogs. One would think you're competing with *Tight* magazine to see who can run the most dogs. BARELY LEGAL should not be a rubbish bin for girls who couldn't make it into HUSTLER.

Whatever happened to Box Office's pacifier rating system?

Sincerely, A. R. California

A. R., every reader's opinion is so, so important to me. You guys help me and give me awesome ideas for the mag. BUT—usually guys who write in give their own opinion and don't try to speak for all BARELY LEGAL readers. Because if you want to know, I get tons of requests for girls with womanly curves. You know, BOOBS. And BOOTIES. Things that equal "a bod." (Which, by the way, Twenty totally had, IMHO.) I won't even get into how mean it is to call girls "dogs."

Anyway, I personally love <u>Room Mates</u> because the artwork is cute, plus the penetration pictures make me super wet. But I'd love to hear what other readers think. Please write and tell me!

—Lindsey

Hi Lindsey,

Today you made me very, very happy. First I got my June 2007 BARELY LEGAL in the mail, and it's my birthday. And I got my "Young Celeb Fantasy" [Ashley Olsen], as I requested, and you printed my initials, too! Man! I am going to hold on to this BARELY LEGAL forever. Thank you, thank you, thank you.

And to answer your question, Why did three of us [readers] pick Ashley over Mary-Kate? Well, that's so easy—because Mary-Kate likes big dick, and Ashley is such a sweet girl.

Love you, Lindsey, R. M. S. Maryland

Dearest Molly

I just wanted to write in and tell you how much I enjoyed viewing your sexy photos in BARELY LEGAL [April 2007]. I was wondering, though, how come your panties weren't entered in the contest? I love the pretty flowers on them. You're one very special, sexy young lady. Anyway, I'm sure your signed/autographed panties could be very valuable someday.

I just had a couple of questions: Do you ever use your guitar or maybe another instrument to play with sexually? You know, like at band camp? Have you ever come up with a song about sex? I was just wondering, since you mentioned how

much you either like to model nude or play guitar. I thought that you just might combine the two!

If my questions aren't too personally embarrassing to answer in BARELY LEGAL, I'd love to hear your response.

> Love ya, T. H. Illinois

I'm not embarrassed! To answer your first question, no, I have never used my guitar in or on my pussy. I can't play it if it's all sticky! I just mainly use my fingers to make myself come. (If you want to watch, check out my new layout in the December 2007 issue of BL!) The answer to your

second question is—<u>all</u> of my songs are about sex. After all, you have to write about what you know!:)

—xxx Molly

Dear sweet and sexy Lindsey,

Back in the November 2006 issue, you promised a foursome for 2007. I've been waiting with high expectation, wanting so badly to see four girls gorgeously together. I so hope and pray that you and BARELY LEGAL haven't changed your minds.

Sending all of my love, Naughty Johnny Ohio

Hi, Naughty Johnny! It took me a year, but I finally did it! Check out the four frisky girls on page 102 of this issue! —Lindsey

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, it's Thanksgiving, and I have a bunch of thanks to give. The main one is, I want to thank all the readers that write to me personally. I get, like, tons of letters (sorry if that sounds conceited, but it's true). I wish I could print them all, but it would be totally unfair to the other girls. But I want you to know that I read every single letter, and I am so, so grateful for all the nice compliments. I am also grateful for the negative letters. Yes, it's true! They

Now, for our November issue, I want to especially thank BL intern Nikki for finding those awesome nip-slip photos of Mandy Moore! Who knew Mandy was so naughty? / sure didn't.

I also want to thank Lena Nicole, Jewel and Koral from Stumber Party for not shaving their poonies—and I bet about a million readers will be thanking them, too!

So-o many things to be grateful for this month: Stella's titties, Faith Leon's lips, Lola's ass-and Lucy! Thank you for sending in those photos of you and your teammates Jane, Klea and Meggie—ahem—working out.

Most of all, of course, I'm thankful for all of you BARELY LEGAL readers. You guys make my job super fun and sexy all year round!

BARELY LEGAL NEWS FLASHES

MANDY barely legal
MOORE

andy Moore, so good and pure. That's what you guys think, right? 'Cause of her sappy songs and that barfy movie A Walk to Remember, where she played a minister's daughter? Well, I am here to tell you that Mandy is not sweet like candy. She has always been a total BARELY LEGAL girl. You just have to look real close.

Exhibit A: Mandy gazing out the window in How to Deal (2003). No big deal, you say? Look again. Yes, that is nipple.

Next we have Mandy running around in her bra in a movie called All I Want-in 2002, the same year she made A Walk to Remember! How were her undie antics not, like, international news? Well, the innocent movie was a huge hit, and the other one no one ever heard of. Except me. And now you. You're welcome!

Finally, here are a couple pics from an Australian talk show called Rove Live (2001) that Mandy was on when she was 16. She thought she could hide her top Down Under, but guess what? She can't hide from BARELY LEGAL! And she can't deny that she is our BARELY LEGAL Idol-now and forever.

Mandy at "sweet" 16

Kiddie-movie Keira

Brit babe Keira Knightley (Pirates of the Caribbean) has already bared her litty-bitty titties in Domino, The Jacket and The Hole, but reader M. B. of Arizona has put in a fantasy request anyway—and we totally agree! Now that we've had a taste of Keira's tata's, we want to see all of her naughty bits!

That Keira knows her audience, too. She's finished with kiddle movies about pirates and is now filming lots more "grown-up" (i.e., "dirty") parts. Keira's all, "I'm an actress. I have certain tools. One of them is my body. I don't mind stripping off occasionally."

We don't mind, either. And we can't wait! Until Keira's new "grownup" movies start hitting theaters, here's a little teaser.

Which young celebrities would you like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

KEIRA KNIGHTLEY YOUNG CELEB FANTASY

DISCLAIMER: Parody picture; no such picture of Keira Knightley actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

i, I'm Nikki the intern. The hottie running around without bikini bottoms is Lola. Fun facts about my new BFF: She's 18, she's looking for love, and, I'm not saying it's the key to her heart or anything, but just FYI—she loves nachos.

nikki: Are you single?

Iola: Yeah. I just got out of a crappy relationship. It's okay, though. I'm ready to meet new people and have fun. I plan to forgive and forget—as in, forgive myself for being stupid and forget he ever existed.

nikki: What do you look for in a guy?

lola: Basically, I'm looking for someone older. A sense of humor is a must. Sixpack abs don't hurt, but I'm way more interested in someone I can hang out and have fun with.

nikki: What are you like in bed?

lola: I don't know! Gah! I'm not all that experienced yet. I still can't stop giggling whenever I'm making out or whatever and a guy wants to take it to the next level.

nikki: What's your favorite position?

lola: Missionary is my favorite. I haven't experimented too much. I feel like a huge dork doing it doggy-style, but honestly? Best orgasm ever.

nikki: Do you like oral sex?

lola: I love oral sex. I like it when guys go down on me, but it tickles so bad. It makes me wanna pee my pants—in a good way!

nikki: What about blowjobs?

Iola: I'm all about blowjobs. They're a great way to keep your man happy. I

just wish I were better at them. nikki: Have you tried anal sex?

lola: I've tried it, but I don't think we did it right. I don't see the point, really. I'd rather have a guy stick it in my puss—that's what it's there for!

nikki: What is your wildest sexual

fantasy?

lola: Doing it on the beach under the stars. I'm romantical like that. nikki: What are your plans for

the future?

lola: I want to be a vet. I'm an animal freak. But that means like ten more years of school! nikki: Did you like posing

nude?

lola: Absolutely. It was the most fun I've ever had. I'm normally very shy! I was so nervous at first, but I totally got into it. ★

"I'm really, really, really dirty.
I'm willing to try anything!"

FAITH LEON gotta have faith

i, I'm Nikki the intern. But enough about me. Who's this hot chick with the lips? No, it's not Angelina Jolie's kid sister—it's Faith Leon! She's the greatest thing to come from North Carolina since Dawson's Creek!

nikki: What were you like in high school?

faith: I played sports—soccer and basketball. I had friends in all the different cliques. I grew up in a *really* small town. It was cool, except every single person in my hometown knows I've done pom now. Most of my so-called friends won't even talk to me.

nikki: What are you like in bed?

faith: I'm a normal person to have sex with. I don't go home and do, like, reverse cowgirl or pile driver or whatever. I prefer missionary. Foreplay's my favorite. I like lots of deep, passionate kissing and

cuddling. Cuddling's the best. But I do like to dress up sometimes and make it sort of a fantasy.

nikki: What have you done in bed that you never thought you'd do in a million years?

faith: Anal and girl/girl. I mean, I like girls, but I don't have sex with them in my personal life—usually! I will if it's, like, a threesome with a guy there. Cum-swapping was cool. I got to, like, have a threesome and then kiss the girl after the guy came in my mouth!

nikki: If there was one thing you could change about yourself, what would it be?

faith: Besides my butt? I don't know. Sometimes I wish I wasn't so shy. Some people think I'm stuck-up because I don't come up and talk to them—but that's just because I'm scared to! If someone comes up to me and starts talking, then I'll talk to them. *

JEWEL

beat about the bush

ellol Rachel the intern here. Okay, check out the second to last page of Jewel's layout. Go ahead. I'll wait. You're back? Sweet! That's hot, right? Jewel has something most girls her age don't—but should! After all, it's only natural. So, since there's grass on the field, let's play ball!

rachel: What's the best sex you've ever had?

jewel: With a guy or a girl? rachel: Ooh, snaps! Are you bi?

jewel: Yeah, totally. I didn't even like guys at all until recently. I

don't go for the whole macho thing. rachel: What do you look for in a guy?

jewel: Sensitivity, a sense of humor—and a tongue stud!

rachel: What kind of girls do you like?

jewel: I like girls who are sexy but don't know they're sexy. I hate

girls that are too stuck-up.

rachel: What's your favorite sexual activity?

jewel: Oral sex—giving and receiving. But I like it better when guys shave before they go down on me. Stubble's so scratchy!

rachel: So, how come you don't shave down there?

jewel: Because I'm not a porn star! I'm just a regular girl—and regular girls have hair down there. I keep it neat, but I like having a bush. It's the sign of a real woman.

rachel: What's your sexual personality like?

jewel: I like to flirt. I'm a bit of a goofball. I don't take myself too seriously. Most of the time, I'm just fooling around, and then it's like, Whoops, I'm having sex! How did that happen?

rachel: What's your deepest, darkest secret?

jewel: I'm a total perv! I want to watch people have sex. Sometimes, I'll overhear people doing it, and it makes me so hot that I want to touch myself right then and there.

rachel: Yeah, I know the feeling! *

guys-Sunny Lane here! Being featured in BARELY LEGAL is really special to me. This is my chance to share. I want everyone to know that there's more to my life than just making pornos. Sure, I'm an actress, model and dancer, but at heart I'm a regular girl from Georgia. I love my work, but I love my friends than more anything. Friendship and laughter, those are the values that mean the most to me.

So here it is, a day in the life of me. I hope reading it makes you smile, and feel like you know me better, and also maybe makes you a little bit horny!

I'm an early riser. I can't sleep past seven, even if I'm beat, and usually I'm up more like six or six-thirty. I guess it comes from my early teen years as an ice dancer, when I was doing my intensive Olympic training, before bunion surgery forced me out of my skates for good.

My roommate Charlene is the opposite from me. She could sleep through the afternoon if I let her. But I never do. Every morning at like eight, I'll bust into her room and start blasting Maroon 5, or some days, like today, I'll just jump in her bed and wake her up by licking her cunny. She'll act all mad at first, but before too long she stops fighting.

Charlene moved here from Alabama, so we really hit it off 'cause we're both nice Southern girls chasing our dreams in L.A. When I met her,

she was waiting tables at a deli in Studio City. She'd just arrived and just turned 18 and she wanted to be in movies. She was tiny and cute, with big blue eyes and lips like Liv Tyler. I don't usually get crushes on girls, but I was crazy about her right away.

We became roommates a few weeks after we first met, and she's been my best friend in the world ever since. Even though we aren't in a relationship because we aren't really lesbians, I love to eat her pussy and make her squirt, 'cause I love her and she tastes so sweet.

That's right, I am an expert in squirting. In fact, I made Charlene squirt just this morning. At first when I was tonguing her hole she was still sort of half-asleep and just being kind of lazy, letting me lick her hole. But then I stuck two fingers inside her and she really started

waking up. The fingers are the key. You have to find the right spot and push it for a girl to start squirting.

I don't like to hurry it, though. I make it last a long time and drag it out so she doesn't come right away. That way, it builds up and you can get a really serious gush. Hold back for a while and then rub it just right, then—goooosh!

That's what happened this morning. I had my two fingers in Charlene plus I was sucking and licking her clitty, and I could tell she was just filled to bursting, but we waited and waited until finally I rubbed her hard enough and she released and her coochie gushed like a fountain and—

friendly. Going there is like Cheers. Mannie himself is like a hundred years old and a real hoot, and also there are always lots of old guys hanging out at the counter drinking coffee and being funny. They like to flirt with Charlene and me, but they aren't pervs, just cute and old. I feel like I have a family away from home at Mannie's.

Also, there is one other thing that I will confess. I have a terrible crush on one of the regulars at Mannie's. And I know it's dumb, but we've never spoken because I'm too shy to talk to him. Mannie told me that his name is Anthony and he's a struggling screenwriter. I'm sure he has a lot of

turned on that I have to masturbate.

I just had one of my fantasies last night, if you want to hear. It was romantic but also kind of dirty. (Why is it I can share stuff like secret fantasies but sometimes I'm too shy to even hardly look at somebody???)

Anyway, last night, in real life I was in my room, in bed, but I was imagining I was riding through a beautiful forest on a white horse, like a medieval princess. Is that corny? I can't help it, I grew up in the country. I always played in the woods when I was a little girl in Georgia, and now forests are still my favorite place when I close my eyes and dream. Anyway, so I stopped at a stream so my horse could

splat—a big splash of girl juice, right in my face. Meanwhile Charlene was having this, like, crazy, full-body orgasm. Squirting has a lot of intensity!

Well, that was fun. We were good and

sticky, so we took a hot, steamy shower and Charlene soaped my boobs up and played with my coochie till I had an orgasm of my own. I really enjoyed myself and felt refreshed and ready to start my day.

The first order of business this morning (other than pussy, of course) was breakfast. I have a week off right now (whee!), so it's all about having fun and

relaxing. One of my very favorite things in the entire world is Belgian waffles and sausage at Mannie's.

Mannie's is the best restaurant in all of L.A. The food is awesome and the kitchen is open 24 hours a day, but most importantly, everyone is so great and talent and some excellent screenplays ready to be discovered by Steven Spielberg or somebody.

Isn't it crazy that I'm too shy? Charlene thinks I'm a total geek for not talking to

Charlene soaped my boobs up and played with my coochie till I had an orgasm of my own.

him. I guess I'm just too in love, because I freeze up and go blank and queasy every time I lay my eyes on him. I'll tell you a secret, though: A lot of times at night, if I'm having trouble sleeping, I'll close my eyes and have these elaborate fantasies about Anthony, and I'll get so

have a drink. I got off the horse and washed my face in the sparkling water, and when I opened my eyes Anthony was standing there on the bank. He appeared out of nowhere, like he was my prince

looking for me.

We gazed at each other, and meanwhile i'd managed to splash water all over my thin cotton dress and you could see my hard nips and my boobs through the fabric clear as day. Well, Anthony just couldn't resist my nips, so he slipped my sleeves off my

shoulders and pulled my top down to my waist and sucked my titties. Having my titties sucked makes me very hot and wet, so my pussy was totally throbbing. In real life I slid my finger up and down my clitty, slow and slippery, and in my imagination Anthony slipped his hand

under my skirt and found out I wasn't wearing panties. He stuck his finger inside of me. I enjoyed that a lot, but I really enjoyed it when he added his thumb to the mix and popped it into my booty hole.

Yes, I enjoy it when a guy plays with my butt! Lots of girls

do, as long as the guy is gentle and takes his time with the

girl's tootie.

Well, by now I was really worked up and just had to have a slurp of Anthony's peen, so I unzipped his jeans (he's a very cool and casual prince) and stuffed his boner into my mouth. He has a big cock-tasty, too, and juicy with pre-cum. He seemed to really enjoy the BJ, especially when I cupped his balls and licked them, too. I sucked and licked till Anthony was just about ready to explode. Then I crouched down on my hands and knees and he lifted up my skirt and pounded me doggystyle till we both came. He came deep inside me, and his jizz felt hot and slick dripping out of my pussy. Then we hopped on my white horse and galloped away, happily ever after.

I'm blushing now that I told, but that's my fantasy! I wonder if I ever told Anthony-like, if in real life we got together and I told him—I wonder if he'd think I

was lame.

Anyway, back to reality. Breakfast was delicious and fun this morning, and even though yesterday I told Charlene I was going to say hey to Anthony, I didn't, but that's okay. Charlene says I should stop talking about Anthony if I'm too chicken to even talk to him, and maybe she's right. So I won't talk about him anymore ever again, but I'll talk about the rest of my day.

Charlene was all hot to go to the mall for some shoe shopping, so she dragged me along, lucky me. I'm really not a girly-girl, and I mostly hate shopping unless it's for groceries because I love buying snacks. But stuff like shoes and bags and lipstick, it's really not my thing. I guess I'm a tomboy at heart. Someday I'd like to find a guy who will take me fishing and camping and stuff like that.

But, oh well, for today it was all about finding the perfect pair of peep-toe heels for Charlene. And it really was important, because Charlene needed to prepare for a date with the guy from the news-

stand where she buys her daily Variety. He's cute and she's had a crush on him for months. Unlike me, she had the nerve to speak to her mystery man, and now they're wining and dining!

So I did my duty as a friend and helped Charlene find the perfect pair of red patent-leather wedges and some poppin' cherry lip gloss. By the time we got home I was ready for a big fat nap, but I had to sit in the bathroom while she bathed and shaved her legs and tweezed stray hairs from her mostly naked pussy because that's what friends are for.

What a day! Quality time with your BGF is important and I love

Charlene to death, but honestly, I was tickled when she left because I love to have the whole place to myself to veg out and eat a pint or maybe a quart of rocky road and fall asleep on the couch watching Animal Planet, That is the truth about me-am I a slob or what? Yes, I am, but I guess it wasn't in the stars for my night to turn out that way. I had just changed into my Old Navy short-short sweats and a wife-beater tank and was fixing a bowl of homemade M&M/popcorn mix when the doorbell rang. It was my neighbor Mickey.

Mickey is a very cool guy and we're friends. I guess you could also say we have a history. I think Mickey would like to be, like, something a lot more than friends, and I like him a lot and I think he's cute, but he's really just a good friend to me. Except that sometimes, I guess I have this uncontrollable horniness when it comes to Mickey. because even though I think we aren't romantic, we still end up

humping like beasts.

"Hey, Sunny." Mickey was smiling at the front door holding a plastic drinking cup. He always makes up lame stuff that he needs as an excuse to visit, like a lightbulb or a cup of rice. "I was going to make biscuits but I realized I was out of flour." I just shook my head and offered him a beer. Mickey is a goofy-looking guy and cute, and apparently I like him okay, because he hadn't been in the apartment 20 minutes before my pussy was in his face.

Maybe that's why I have a hard time resisting Mickey-he loves to lick me and he can do it for days. What girl doesn't love being eaten? I can just relax on the sofa and he'll lick me all night and day. Tonight I got worked up really fast and it wasn't very long before I came, but I was still horny, so I thought it would be fun if we had sex a bunch of different ways.

That's what's great about Mickey, I feel comfortable

around him, like an old pal, so I'm not shy to just say stuff like, "Why don't you bend me over the table and do me from behind?" It's so totally opposite than how I am having a crush on a stranger and not being able to even say hey. Every time I talk to Charlene about Mickey she tells me I should just many him because he's my pal

I let him stick it in my butt a little bit.33

and he loves to eat me, but I mean, he isn't even my boyfriend!

Anyway, tonight Mickey and me really got down to it. He had me on the couch for a while, pushing my legs behind my head and watching his boner slide in and out of my pussy. He really loves watching himself penetrate me like that, and sometimes he'll stick a finger or two into my puss along with his dong. Tonight he wedged two fingers in, one on either side of his bone, and he was like, "Yeah, you love it when I stretch your tight little pussy." For such a sweet and mellow guy, he sure can talk dirty.

After a while we moved to the floor. I stuck my butt in the air and rested my head on the rug. He cupped my boobs and pumped me and before he came I let him stick it in my butt a little bit. Not for too long or too hard, but Mickey's cool, so I figure a little anal is okay. To me, anal sex is a big deal and not for just any guy I meet. It's a big step in a relationship! So who knows, maybe somewhere inside I do feel serious about Mickey.

Anyway, I loved his cock in my butt. Loved it. There's just no other feeling that compares. It's, like, so deep inside, and I swear there's a button hidden in my butt that makes me insane.

Mickey pumped slow and deep, then faster, and it didn't take long for me to start coming again. Good thing, because Mickey was ready to explode pretty quick—anal makes him lose his head completely. He sprayed his load all over my cheeks and rubbed it into my skin.

"Look at that ass," he panted. He slapped my buns, a loud, sticky smack. A tiny toot escaped my booty. Oops! So embarrassing, but then we couldn't stop laughing, because poots are the best comedy when you have the sense of humor of a tenyear-old, like me.

We fell asleep on the couch watching an ancient rerun of *The Planet's* Funniest Animals. Charlene came home late and found us snoring. Totally busted. She was like, "Guess we all got lucky this evening."

I'm happy to hear Charlene had a successful date. We sat up for a while, and she told us how they ate fondue and drank champagne and took a long walk on the beach. She wanked his boner and he fingered her in the moonlight till she came. Sounds pretty romantic to me!

Charlene, Mickey and me, chilling a very cool ending to a totally great day. That's what it's all about, really just being with your friends and being yourself, and enjoying an orgasm or two along the way. :)

just the right size

ey, guys! It's me, Lindsey. You might remember gorgeous Stella from our Anniversary 2006 issue (Stella: Spring Fling). Her hair's a lot longer now—and that's not the only thing that changed.

lindsey: Okay, Stella—I have to mention something weird: The last time you were here, you said you weighed 113 pounds, but now you're saying you weigh 135, but your body looks the same size!

stella: [Blushes.] You caught me. I fibbed about my weight last time. lindsey: But why?

stella: I thought the BARELY LEGAL readers only liked super skinny, waify girls, so I got all insecure about my size. It was a crazy fib! I mean, my titties alone weigh 113 pounds!

lindsey: So, what made you come clean now?

stella: Well, I started reading BARELY LEGAL regularly after I was in it, and I saw all the different sizes of girls in the magazine and how certain readers like curvy girls and are all, "More boobs!" I was like, You know what? I'm perfect for BARELY LEGAL—in my own way.

Indsey: I did notice that you had a lot more confidence posing this time.

stella: I did! You know what else helped my confidence? I met

this older guy, Nick, and he was like, "Don't you dare lose weight!"

lindsey: Ooh, girls love to hear that!

stella: Yes! Nick even said I could gain weight, 'cause then my titties would get bigger. But I had to draw the line somewhere!

lindsey: Of course. Is sex awesome with Nick?

stella: Was. We aren't actually together anymore. But, yeah. I learned a lot from Nick sexually.

lindsey: Like what?

stella: Well, he basically taught me how to have orgasms. I didn't realize it before, but boys my age are always in too big of a rush. Nick took his time.

lindsey: That's a good thing to learn.

stella: Yes. I take *my* time now, too. Like, with blowjobs? I'll lick and play with the guy's cock instead of just sucking like a maniac, like I used to. Or, like, I'll get on top of a guy and just grind, super slow, until we're both crazy.

lindsey: Wow! You were practically a virgin before, and now you sound like a porn star.

stella: Sex just keeps getting better and better the more time passes. I'm almost not bummed about turning 20.

lindsey: Don't worry—I'm sure some guys won't mind how ancient you are! ★

FOR EXAMPLE, LUIS IS MY EX-BOYFRIEND. I ALWAYS KNEW THAT I WAS WASTING MY TIME WITH HIM. HE ALWAYS TALKED BIG ABOUT HOW HE LOVED ME. HE USED ALL THESE FOUR-SYLLABLE WORDS TO TRY TO MAKE ME BELIEVE HIM. ANYWAY, I STILL WENT ON WITH THE RELATIONSHIP.

SO I ASK MYSELF IF WHAT I'M DOING WITH MY LIFE IS OKAY. YES, I GO OUT WITH OTHER CHICKS, BUT SOPHIA'S THE MOST DEAR TO MY HEART. I DON'T DARE SAY ANYTHING TO HER AND WITH EACH DAY THAT PASSES IT GETS MORE AND MORE DIFFICULT. IF ONLY SHE KNEW HOW I FELT.

IS THAT WHY YOU DECIDED TO START THERAPY? JUST RELAX AND TOGETHER WE'LL WALK YOU THROUGH THIS MENTAL BLOCK. SO, TELL ME MORE ABOUT THIS SOFIA.

SOMETIMES I THINK THAT SOPHIA IS MY LAST CHANCE TO LOVE SOMEBODY AND THAT'S THE REASON I CLAM UP. IT'S FUNNY, BUT THE MORE WOMEN I SCREW THE LONELIER I FEEL.

DOCTOR, DON'T YOU THINK YOU'RE JUMPING TO CONCLUSIONS? THIS IS JUST OUR FIRST SESSION.

PLEASE, DON'T CALL ME

FORMALITIES. JUST CALL
ME MARIA. I WANT YOU TO
THINK OF ME AS A FRIEND
RATHER THAN A THERAPIST.

I WAS UNDER THE IMPRESSION THAT PSYCHOLOGISTS AREN'T ALLOWED TO GET INTIMATE WITH THEIR PATIENTS.

COME ON! IT HAS BEEN PROVEN THAT WITH THE PASSAGE OF TIME, PATIENTS INEVITABLY PROJECT THEIR NEEDS AND FEELINGS ONTO THEIR THERAPIST. I BELIEVE THAT THE SOONER YOU BEGIN TO PROJECT, THE BETTER.

MOREOVER, I THINK YOU SHOULD PROJECT YOURSELF ONTO ME BY JUMPING OUT OF THAT CLOSET AND...

i! My name is Lucy. I sent these photos in to BARELY LEGAL because I didn't know what else to do, and Lindsey said okay, but I should tell you about them.

Okay, so, they started out being for the yearbook—just, like, candid workout photos of me, Jane, Klea and Meggie. We're the only seniors on the girls' basketball team.

So anyway, we were doing sit-ups, and I was holding Klea's legs, and Meggie was holding Jane's legs, and Meggie was all, "God, Jane, I can smell your pussy from here. Am I making you horny or something?"

We're always making pretend-lezzie jokes like that, no big deal, but this time Jane went, "Well, if you really want to know—yes."

We were shocked 'cause Jane has a totally hot boyfriend, but she said it was all a lie, and she started crying. So we started comforting her, and I guess white

I was comforting her, I kissed her—as a friend, of course, but on the mouth. Then it became kind of a blur because suddenly Jane's top was off, and I was still kissing her, and Klea and Meggie each had a titty in their mouth.

Then all of our mouths went somewhere else lower, if you know what I mean, and I was thinking, Well, it can't get any weirder than this, and that was when Klea busted out not one but two vibrators that she was carrying around in her backpack! I was like, Are all of my friends secret perverts? But I shouldn't really judge, I guess, 'cause I totally came all over the exercise mats when Meggie

jammed the purple vibe in my cooch.

Anyway, it would have been our secret forever, except the yearbook dork shot the whole thing. Lucky for us, it took only one handjob (thanks, Klea!) to get the photos away from him.

So you guys get them instead. Just don't tell our boyfriends, okay? *

THE BARELY LEGAL BONN

YOUNG ASIAN CUTIES #4

Kick Ass Pictures. Directed by Glenn Baren; starring Tia Tanaka, Evelyn Lin, Jade, Kitty, Miko Sinz, Lee Stone, Tyler Knight, Alec Knight, Andrew Andretti and Tony Tedeschi.

This Thanksgiving, I am super thankful for the hotness of Tia. Tanaka, Evelyn Lin and Kitty. Besides having the cutest face ever, Tia's got some pretty rockin' boobs. Oh, to be (in the words of John Keats) "Pillow'd upon my fair love's ripening breast/To feel for ever its soft fall and swell." Hee hee, I get extra credit in my English class for saying that, but it's true! I heard that Tia and Kitty are friends from high school, and Kitty was the one who talked Tia into doing porn! Too bad the two best buds aren't "together" in this movie, but I guess that could be awkward. At least we get to see them both! Evelyn Lin is another candidate for my crush hall of fame. I love her perky little titties, firm little butt and shy but secretly wild sex appeal. Miko's, like, supermodel gorgeous, but Jade, with her fishnets, tattoos and cigarettes, looks way more badass than "cute." However, Jade gives a mean blowjob, and she's got a great body-not to mention a big, honkin' bush! Thanks to Tia and Evelyn, I'll never get tired of

watching Young Asian Cuties #4.
I might get tired from watching it, but that's a whole different thing.

Jade's emisins

mateir tite drages.

BARELY LEGAL #71

HUSTLER Video. Directed by Erica McLean; starring Tiffany Brookes, Crissy Moon, Micah May, Jenni Lee, Christine Alexis, Scott Nails, Jerry, Charles Vera, Van Damage and Kevin O'Neill.

From the moment I first laid eyes on Tiffany Brookes (see last issue if you missed it!), I was dying to see her in action. BARELY LEGAL #71 is the answer to all my prayers. The tall brunette has a smile as big as her home state of Texas. With those pearly whites, it's not surprising that she goes to the dentist a lot-especially since she totally wants to suck her dentist's giant cock and let him drill her pussy instead of her teeth. What's insane about this movie is that all the other girls are just as hot as Tiffany-if not hotter! Jenni Lee is a redheaded goddess. She seriously looks like that painting of a naked chick riding a clam. But I bet clam girl never grinded on cock like our gal Jenni. I love the naughty glint in her eye as she's giving Van Damage a BJ for the second time. That's a girl that just loves to bone. Plus, Micah May is all sexy and flirty, Crissy Moon is hungry for cock, and Christine Alexis is cool and hot at the same time, with her multicolored hair and leather boots.

Christine's on a very high-protein diet.

JANINE

tell me I'm pretty

i, guys! Rachel the intern here with Janine, a high school senior who plans to study cosmetology after graduation. I managed to sneak in a few questions while she practiced putting makeup on me.

Did you like posing nude? Yes. I love posing in general, so I thought, why not nude? I have a nice body.

What part of your body do you consider your best? My ass. It's very firm.

Do you wear panties? Always. I love pretty underwear. I bought these panties especially for the shoot.

How often do you masturbate? A couple times a week.

What method? Play with my pussy in the tub. It's relaxing.

"I hate/like/love giving head." Love. It makes the guy happy.

"When I give head, I'm a spitter/swallower." Swallower, if the guy wants.

What's your favorite sexual position? Doggy. I like when they hold onto my ass and really dig in.

How can a guy best make you come? Lick my pussy, gentle at first, then do it harder.

"I hate/like/love anal sex." Love. My butthole is super sensitive. Where do you like a guy to come? On my titties or my butt. In the butthole is pretty sexy.

What kind of guys do you like? Strong, sexy, handsome, tall. What's the best way for a guy to pick you up? It's kind of embarrassing to admit, but I'm a sucker for compliments.

Describe your ultimate sexual fantasy: A romantic night on the beach—with two guys! :) *
